

Dr. Shelton E. Wood, Jr.

Dr. Wood has 36 years of extensive experience working in field of security management in aviation, land, maritime and related areas

He is also an expert in advising and assisting companies and corporations in conducting detail security assessment of their capabilities to prevent terrorists, saboteurs, and hijacking operations in their fields of operations.

Dr. Wood is a superb trainer and developer in the field of security management and related fields. His teaching style is to train people to bridge the gap between ideas and actions. His teaching style allows participants to gain genuine insight into themselves and others, rather than just learning a “bag of tricks.” Security techniques are taught, but the emphasis is on understanding practical application and being successful against pirates, terrorists, saboteurs, hijackers and other threats.
